

Light, compact and mobile!

Our AGFAPHOTO Solar Panels are your companions when travelling, camping or spending a relaxing day at the lake. With the supplied adapters and cables, you have the option of supplying your mobile devices with energy via a USB-C cable or our AGFAPHOTO Powerstations 300Pro, 600Pro and 1200Pro via an Anderson cable.

Wherever you are: as long as the sun shines, you will never run out of power.
